Spring 2018

Dear Summer Science Camp Scholarship Applicant:

Through the generosity of the Bosch Foundation, Plymouth Rotary Foundation, and the Wilcox Foundation, New Morning School is offering 35 summer science camp scholarships for students ages 5 – 11. All costs will be covered including latchkey. Scholarships are awarded based on financial need.

New Morning School is a preschool through grade eight private school located in Plymouth at Haggerty and Schoolcraft Roads. It is convenient to I-96 and I-275. It offers a school-year individualized program and in the summer offers enrichment classes.

Attached is our summer brochure. There are two options for the scholarships:

- Jr. Explorer Science Camps (page 3; entering K-1.): These camps run in one-week sessions for the morning with latchkey for morning only. Morning latchkey is included.
- Science Camps (pages 4 – 6; entering 2nd through 6th grade): These camps can be morning only or full day. Latchkey is included from 7 am – 6 pm.
- Discovery Days classes on page 2 are not included in the scholarships.

You may sign up for one camp or up to five camps for one or more children. Scholarships will be awarded in the order received. Please submit your registration form as soon as possible, before all scholarships have been awarded. Applications will be considered on a rolling basis. Here is the process:

- Decide on the camps you would like your child(ren) to attend.
- Fill out the registration form on the brochure (one form per child).
 - Write “SCHOLARSHIP APPLICANT – and name of agency referring (if any)” on the top of the registration form.
- Fill out the scholarship application completely.
- Mail or fax to New Morning School.
- You will be notified as to whether you qualify for the scholarship.

This is an exciting opportunity! The camps are hands-on and activity-oriented. We have many students who attend each summer. I look forward to meeting you soon!

Sincerely,
Elaine Kennedy
Head of School
